Yes, Mr. Monaghan, I want to be a Founder of Ave Maria University. I agree with you that one of the most powerful responses we can make to the current crisis in the Church is to educate new generations of Catholic leaders by building a major Catholic university dedicated to Our Lady, Seat of Wisdom. Please use my gift to help Ave Maria University become a model Catholic university. I have indicated my level of support below. I understand that a total of \$120 is necessary to become a Founder of Ave Maria University and that it can be paid over a one-year period.
