

EMPLOYEE ASSISTANCE PROGRAM

When it's difficult to cope with problems, we often turn to family or friends for support. Unfortunately, sometimes that is not enough. Sometimes we need the ear of an experienced professional, one who will keep our concerns confidential and help guide us in the right direction.

Mutual of Omaha's Employee Assistance Program (EAP) has trained professionals to work with you as you search for solutions to personal and workplace issues.

EAP is paid for by your company and is available to help you deal with a variety of personal and professional issues. Staff members are highly trained, master's-level professionals with experience in family, personal, work-related and substance abuse issues. The program is voluntary and confidential; only your EAP professional will know you have called.

FOR FAMILY MEMBERS, TOO

Our staff understands that your family members also may benefit from speaking with an EAP professional. That's why the program is available to both you and your immediate dependent family members. Give each family member a copy of the EAP wallet card, below, so they'll have EAP contact information available at all times.
