When logging on to the Internet site, you will need your Social Security number and Case Number to access your account.

STEP THREE: SELECT DEFERRAL AMOUNT

I would like to defer from each paycheck the following amount(s) in whole percentages, _____% per pay period as an elective deferral. See "How much can I contribute to the plan?" in your Plan Highlights for details.

STEP FOUR: SELECT INVESTMENT OPTIONS

Please complete the reverse side of this form to select your investment options, then return to complete Step Five.

All allocations must be made in whole percentages and the total allocations must equal 100%.

STEP FIVE: ENROLL!

- Go to nationwide.com/enroll.
- Select the Enroll Now link.
- Type your Case Number in the field provided and click "Search Enroll". For your initial PIN, use "1234".
- Search your company from the search results.
- If you are ready to enroll, select the "Enroll Now" link. Or, if you'd like more information on planning for retirement, check out the educational features on this page.
- Depending on your plan type, you may need to type your personal information, or it may already be there. Be sure to type or verify the information and click "Continue".
- Enter the percentage of your salary that you want to contribute and your gross salary. If your desired contribution exceeds the maximum allowed amount, you will be given the opportunity to revise your contribution. There are some calculators available to help you decide how much you should be saving for retirement and how much your contribution will affect your paycheck. When you have typed the salary and contribution information, click "Continue".

- Depending on your plan type, you may be asked to provide information about who would receive your money if you should die before withdrawing it. If you are asked to provide this information, all you need to provide is the person's name and relationship to you. If you don't have your beneficiary information, it's OK, you can still enroll and provide this information later.
- Now review and submit your information. Be sure the information is accurate, then click "Submit". If you find inaccuracies, you may click on the link for each section, jump to that section and correct the information.

Finally, be sure to print and complete the online beneficiary form, or the one contained in this enrollment book.

Once completed, sign it and return it to your employer.
