

Library Services Canvas Guide for Faculty

The Canizaro Library subscribes to a wealth of electronic resources for use by the AMU community. Integrating these resources into your Canvas course can be extremely beneficial to your students. This guide will take you through the steps of adding the Library's resources to your courses.

For additional assistance, email the Library library@avemaria.edu

Course Reserves

If you have items on course reserve you can provide your students with the list of items

1. Go to <https://avemariauniversity.on.worldcat.org/courseReserves/landing> and search by your last name.
2. Select the course.
3. Copy the URL from the address bar add it to Canvas.

Sharing a specific catalog record

1. Search the catalog <http://avemariauniversity.on.worldcat.org>
2. Locate item
3. Click on the share button and select record link

Sharing an article from a database

JSTOR

Copy the stable URL from the article summary page

Published by: [The Furrow](#)

Stable URL: <http://www.jstor.org/stable/27677862> 

Add the proxy information so that students can access off-campus:
